

Uniform Policy

This policy describes the way students are expected to dress when they attend school. If you are unable to interpret our meaning in regard to a specific item, please ask front office staff.

- All students are required to wear the school uniform every day
- We ask that you support us in ensuring that your child is dressed in the correct clothing at all times.
- If students cannot wear the school uniform on a particular day, then they are required to have a written explanation from parents/caregiver (in their diary or a note from home)

The selection of which parts of the uniform to be worn is related to child comfort and health needs and not decided by any date.

Why wear a uniform?

One Tree Hill Primary School is proud of the School Uniform. The wearing of the school uniform:

- Helps to develop the school identity allowing students to gain a sense of being part of the school community.
- Helps to identify students when they are out of school on excursion.
- Means that there is no competition between students and looks neat and tidy.
- Ensures the health and safety of students.

To allow students to express a fashion style other than that of the defined uniform policy, we have set a part 'Special Days' advised in advance through school notices.

Sun safe hats must be worn between end of August and beginning of May and on days of high UV ratings for all outside activity including break times and physical education. Students not wearing their hats will be designated to the shady area near the Resource Centre and thus be restricted in their play.
